CIRCULATING THROUGHOUT THE VAST AGRICULTURAL AREA OF PALM BEACH COUNTY

Local Girls First In Competition 4-H Club Work

Top honors were accorded to eleven 4-H Club girls Saturday in recognition of abilities demonstrated in annual competitive events at Mounts Agricultural Center. First place winners announced by judges of the County Demonstration Day projects were Betty Johnson and Janette Harrington of Canal Point, dairy foods team demonstration; Faye Hendry, individual performance in dairy foods demonstration; Anna Marie Nurmi, public speaking, senior division, and Holly Handler, junior division; Nancy Bryars and Cheryl Whitley, food demonstration team, junior division; Susanne Pritchard, individual talent winner; Sarah Henry and Barbara Benton, team talent act; and Norma Jean Padgett, original 4-H song.

These girls will represent Palm Beach County in competition with 4-H members from Dade, Broward, St. Lucie and Martin Counties at the area Demonstration Day March 16 at the Mounts Building. Approximately 1,000 boys and girls will participate.

Civic Center Be Dedicated April 7

Sunday, April 7, was set as the date for the open house and dedication of the Pahokee Civic Center at the regular meeting of the executive board of the Pahokee Chamber of Commerce Monday night, with C. A. Batchelor presiding in the absence of President Roy Vandegriff, Jr. The date was announced by the board in response to a request by Mayor Dick Parrish and the City Council that the chamber have charge of the dedication.

Ralph O. Johnson, Mrs. Mae Pope and Dr. R. C. Lane were named on a special committee to make arrangements for the dedication program. Tentative plans call for a dedicatory address, followed by open house in the chamber office and the public library, both of which are now in the civic building. Refreshments will be served in the patio. The Pahokee Garden Club will be in charge of the decorations for the event.

The board voted to send Mrs. Mae Pope, executive secretary, to represent the chamber at the dedication.

County Seal To Be Selected

Final selection of a design for a new Palm Beach County seal will be made Monday by the County Commission.

Paul Rardin, chairman of the commission's contest committee to select a design from entries submitted by Palm Beach County school children, said ten entries will be picked from the 96 submitted with the final commission selecting a winner from the ten proposals.

Mrs. Bertha L. Starling, a former Pahokee resident now living at Sanibel Island, is visiting relatives in Pahokee this week.

Master's Degree For Charles Humphries

A master's degree of the Masonic Order was conferred on Cpl. Charles A. Humphries, Florida Highway Patrol, at a meeting of Everglades lodge 211, F & AM, in the Masonic Hall, here Tuesday night. J. E. Rodgers, past master, was in charge of the degree work. William L. Cammons of Lake Worth, deputy grand master for the 26th District, was unable to pay an official visit to the Pahokee lodge Tuesday night, as scheduled because of illness. Visitors from the Immokalee, Moore Haven, Clewiston and Belle Glade Lodges were present.

Board Withdraws Salary Request

The Palm Beach County Commission this week voted to withdraw its request for a salary increase for members of the board. The commission, on suggestion of Commissioner Paul Rardin, chairman of the board's legislative committee, unanimously agreed to ask the members of Palm Beach County's legislative delegation, to bypass a proposed act which would have boosted the commissioners' salary to \$10,000 a year. A decision to seek salary increases was announced some time ago by the board.

Commissioner Rardin said it is of utmost importance that the commission receive the cooperation of the county's 170,000 people and that there could be no controversial issue standing as a threat to this cooperation.

Altman Is Named Zoning Leader

Col. Ellis Altman, West Palm Beach, has been elected chairman of the county's 170,000 people and that there could be no controversial issue standing as a threat to this cooperation.

Commissioner Roy Michael, chairman of the boards zoning committee, Monday reported Altman's election as chairman and the selection of Kenneth Jacobsen as vice chairman and William Kerslake as secretary.

Michael also reported that Belle Glade town officials have agreed that the town building inspector could serve in a similar capacity for the county. A similar request for inspection service is pending with the Town of Pahokee.

Michael was authorized to draft working agreements for the inspectors.

HONOR MRS. AGNER

Mr. and Mrs. Homer Barnes entertained at their home with a dinner party honoring her mother, Mrs. Pearl Agner, on her 71st birthday anniversary. Guests included Mr. and Mrs. J. D. Agner of Chicago, Ill., Mr. and Mrs. R. L. Gray and family, Mr. and Mrs. Robert Henderson, Mr. and Mrs. Harlan Sears, Sr., Mr. and Mrs. A. Sizemore, Mrs. Lucy Smith of Miami, and Jimmy Barnes, the honoree's great grandson, of Tampa.

Cattle Owners Are Interested In This From Tax Assessor

West Palm Beach, Fla.
March 4, 1957

Mr. Paul Rardin, Editor
The Everglades News
Canal Point, Florida
Dear Sir:

There are many cattle in this County and they are all subject to tax. I want to place a valuation on this livestock as reasonably as I can, but I do want the cooperation of the owners because I hate to assess a piece of land and then add to this assessment another assessment for cattle that are perhaps owned by someone else.

In other words, if I cannot get the cooperation of the cattle owners I will have to assess the cattle against the land on which they are grazing. In the cities and towns where no return is made on the household goods in a residence I assess the household goods to the man who owns the house unfurnished and does not own the furniture, but when he gets a bill for the furniture I soon find out who owns it. Joe Alderman Is Rotary Nominee For President

Joe Alderman, owner of Glades Mercantile and a member of the Pahokee Rotary club since 1939 was nominated for president by the nominating committee at the regular weekly meeting yesterday. Bob Apelgren was nominated for vice president and Lynn Hunter was nominated for secretary. Rotarian Hunter is now serving in the secretarial capacity.

Other important posts filled by the nominating committee were as follows: Club service committee chairman, Bill Plummer; Community service, Hank Aldridge; Vocational service, Jimmy Moore and International service, Vance Denton. Mr. Denton is now serving as president and will relinquish his duties as head of the club when the club year ends on July 1.

Breakfast Starts Chamber Drive

A kick-off breakfast at Gant's restaurant Monday at 8 a. m. opened the annual fund-raising drive of the American Red Cross in the Pahokee area, with Lewis Friend, local drive chairman, presiding.

The volunteer workers who are assisting in the drive received their instructions at the breakfast. The group has the entire month of March to reach its quota but hopes to have the work completed in 10 days. The quota for the Pahokee-Canal Point area is \$1,500.

Mrs. W. D. Howard is visiting her son-in-law and daughter, Mr. and Mrs. Charles McCurdy, in Gainesville this week.

Kledzik Quits Pahokee Hospital

The Northwestern Palm Beach County Public Hospital Board at a meeting the past week accepted the resignation of Raymond L. Kledzik as administrator of the Everglades Memorial Hospital "with regrets", according to A. R. Harrington, board chairman.

Mr. Kledzik, who has achieved an outstanding record of efficiency while serving as administrator for the past 18 months, asked that his resignation be accepted as of March 1, but agreed to stay on the job up to 60 days longer while the board is searching for a new administrator to replace him.

Petition Is Plan For FPL Franchise

An open meeting of Pahokee residents was held at the City Hall Friday night to discuss the advisability of the granting of a long-term franchise to the Florida Power and Light Company by the City of Pahokee. James Harry Wilkinson, Jr., former city councilman, acted as chairman, at the meeting.

The group decided to circulate a petition asking for a referendum vote on the issue with the understanding that those who sign the petition will be in favor of the franchise. The city will be divided into sections with workers assigned to each section in order that a complete coverage of the community is assured.

If the percentage of voters signing the petition is large enough the petition will be presented to the City Council for consideration and action.

Funeral Services For Bob Cameron

Funeral services were held Monday morning at 9 a. m. at St. Philip's Catholic Church in Belle Glade for Robert A. Cameron who died suddenly Friday morning at his home in Belle Glade as the result of a heart attack.

He was sales manager for Everglades Grower's Cooperative, Pahokee, and a member of St. Philip's Catholic Church and the Elks Club, Belle Glade. Survivors include the wife, Mrs. Helen Cameron; two sons, Robert A. Jr., Oviedo, and Ronald A., University of Florida student; two grandchildren, five brothers, Charles, Miami; St. Claire, Atlanta; Bruce and Richard, Sanford; and Earl, Newark, N. Y., and a sister, Mrs. Myrtle Gradick, Sanford.

WAUCHULA SPEAKER

Coach Chuck Williams of Wauchula will be guest speaker at the March meeting of the Pahokee Parent-Teacher Association to be held in the high school auditorium Monday, March 11, at 8 p. m. A large crowd of civic-minded persons interested in the establishment of a Pahokee Youth Center is expected to be present to hear Coach Williams explain why the Wauchula Youth Center has become so popular and important to the youth of that area. Mrs. Elsworth Keen, president, will preside.

Next Monday Zone Meeting Will Be Held County Barn

The first in a series of public meetings to discuss Palm Beach County's proposed zoning laws will be held March 11 at the county barn near Belle Glade.

County Commissioner Roy Michael, chairman of the zoning committee, said copies of zoning district maps and proposed zoning regulations are now on file at all places where public hearings have been scheduled. Duplicate copies of the maps and regulations are also on file at the county zoning office in the court house and these records are open for public inspection at all times.

The Belle Glade hearing, according to Commissioner Paul Rardin, will get underway at 1:30 p. m. and will continue until 7:30 p. m.

Other public hearings scheduled by the commission include a meeting at the Delray Beach City Hall March 12; Riviera Beach Town Hall March 13; Palm Beach Junior College cafeteria March 14 and the County Agricultural Building on Military Trail March 15.

County Prepares For Jet Airport

Transfer of some 100 acres of county owned lands north of State Road 80 near the auto race track, was voted Monday by the County Commission to provide a new site for future county fairs.

Request for title to the lands came from the Palm Beach County Fair Association, headed by W. A. Boutwell, who said an immediate start will be made on permanent buildings at the new site.

The county fair grounds previously located on a 15-acre tract in John Prince Memorial Park near Lake Worth — lands which are being held as a possible site for a four-year university in the event a college site at Boca Raton airfield proves unavailable.

The fair association told the commission that a new site was needed in order that state matching funds could be obtained to help defray construction costs of permanent buildings.

The commission also agreed to help the association move installations at John Prince park to the new location.

Turnpike Takes In Plenty Cash

FT. LAUDERDALE—The first month of operation for the Sunshine State Parkway has furnished encouraging news to those who want it extended. It has been estimated the toll road would have to take in \$10,500 a day to meet expenses of maintenance and payments on the bond issue. The Turnpike Authority has announced that during the first four weeks of its operation the toll road has been averaging better than \$13,000 a day.

Mr. and Mrs. Elmer B. Elliott of Lakeland visited relatives in Pahokee over the weekend.

Here Is What Transpired At Monday's Meeting Of The Palm Beach County Commission

A conference between the county commission and County Judge Richard Robbins, to discuss a separate court to handle juvenile cases, was being planned this week.

The commission Monday received a resolution from the County PTA Council asking the board to change statutes in connection with juvenile problems.

The resolution was presented by Mrs. A. L. Wright, president of the West Gate PTA, who also submitted a resolution calling on the commission to seek means of curtailing speeding and vandalism in the West Gate area. The resolution asked abolishment of the fee system for the sheriff's department and a special fund to provide patrols for school zones.

The board also:

Voted to deposit \$18,900 with the

courts for right of way for a new bridge across the inland waterway on Donald Ross Road.

Deeded all but three parcels of right of way for the Bee Line Highway to the State Road Department.

Decided to negotiate a cancellation of a contract with the Palm Beach Asphalt Company and to readvertise for bids for this service. County Engineer Steve Middleton and Commissioner Paul Rardin reported a number of deficiencies in the firms operation with the county.

Received a request from the Belle Glade Jaycees for more picnic areas along Glades highways.

Voted to take a \$100 membership in a newly organized State Beach Erosion Association — a group which will sponsor continued beach erosion research and experiments.

that brought him to the attention of Hollywood. Even a partial list of Clark's movies reads like and all-time ten-best, and his leading ladies constitute an aristocracy of present and past Hollywood. Among the King's queens have been Norma Shearer, Joan Crawford, Jean Harlow, Claudette Colbert, Great Garbo, Vivien Leigh, Ava Gardner, Deborah Kerr, and many others. His pictures range from "Strange Interlude," "Night Flight," through "Mutiny on the Bounty," "Idiot's Delight" and "Boom Town" to "Command Decision," "Mogambo" and "Soldier of Fortune. Clark is still King in Hollywood cinema circles. See you at the movies—Mal.

Seaboard Dropped Fight Against Tax

TALLAHASSEE—The Seaboard Air Line Railroad has abandoned its court action against what it claims are excessive property tax valuations in the hope the legislature will give it relief.

The railroad, according to its attorney, has decided to rely on indications from the state assessment it will seek a more equitable system of valuations in the coming legislative session. Seaboard went into court in 1933 to protest the valuations of its Florida properties by the State Railroad Assessment Board.

Three other railroads which have filed similar suits in protest are still in Leon County Circuit Court. They are the Atlantic Coast Line, Florida East Coast and Louisville and Nashville.

Comptroller Ray E. Green, chairman of the railroad assessment board, said he had received no indication that the other three railroads plan to withdraw their suits.

Mrs. Jessie Barnes attended the meeting of the Arcadia Chapter, Order of Eastern Star, last week at which time Mrs. Ethel DeLeon, worthy grand matron of the Grand Chapter, OES, paid an official visit to the chapter.

Lucky DeLand Can Dial Long Distance

E. F. Reddy, Southern Bell District Manager here, announced that his firm had selected DeLand for one of the first installations of "Direct Distance Dialing" to be made in the nine state area served by the telephone utility.

Reddy said "DDD", as it is better known, will enable all DeLand telephone subscribers with one and two-party telephone service to dial their own long distance calls. "DDD" has been operating successfully in many of the larger cities throughout the nation and has proven extremely accurate and completely dependable under the most severe tests that could be devised.

"The installation of this newest of telephone systems is very complex," Reddy said. "It is our first installation and considerable planning and engineering must be completed before the actual construction of facilities can begin."

When asked how many communities local telephone subscribers could dial themselves, Reddy said, "At the present time our plans have not developed far enough to determine the number of cities which will be included. "DDD",

which was first put into practice in Englewood, New Jersey in 1931, has received great customer acceptance whenever it has been installed. At the present time, about twelve per cent of all long distance calls placed in the nation are being dialed by the customer himself.

"Under this new dialing procedure, Mr. and Mrs. Telephone User will simply dial the listed telephone number of the party in the distant city. In some cases, where the distant city lies in another dialer, it will not be necessary to dial a code number prior to dialing the listed telephone number. However, it will not be necessary to contact the long distance operator except when the caller does not know the distant number or wishes to make a person-to-person call."

Cinematic Chatter

By Malcolm Millar

Hello everybody! In the continuing and rough-and-tumble scramble for recognition as "king" of Hollywood, the winner—and still King—is Clark Gable. Even his rivals, pretenders to the throne, readily grant that, after twenty-six years in the arena, Gable has still got what it takes. Age cannot wither nor custom stale Clark Gable's infinite appeal, particularly to the ladies. It's just over a quarter of a century now since Gable gave a scorching performance in "A Free Soul," with Lionel Barrymore and Norma Shearer, and overnight was established as just about the hottest screen property since Rudolph Valentino. Since then, he has always been at or very near the top of every annual popularity poll. Clark has been for so long a Hollywood star that most people have forgotten that he was once a performer—and a good one—on Broadway. Among his plays were "Machinal," "Gambling," and "What Price Glory." It was his starring role in "The Last Mile"

Pick your savings target and shoot straight for it!

A home . . . financial security . . . a business of your own. Important savings targets like these cost money—a substantial sum—and more than most of us have. But here's a sure way for you to score a bull's-eye and walk off with the big prize you want.

The secret of saving is system. And the simplest, most automatic saving system ever devised is the Payroll Savings Plan. Best of all, you do more than save through Payroll Savings. You invest your money, too, and make it grow. Here's how it works:

Tell your company pay office how much you want to save each week. Then each pay period that amount will be put aside for you before you have a chance to spend it. Your money will go automatically into U. S. Series E Savings Bonds.

Because Savings Bonds earn good interest—3% compounded semiannually when held to maturity (9 years and 8 months)—they're soon worth much more than you've invested in them. And your Bonds will continue to pay this same good interest as long as 19 years and 8 months. That means a return of up to 80% more than you originally paid.

And remember this. There's no guesswork or chance about the Payroll Savings Plan. It's absolutely safe and sure. Invest just \$7.50 a week. In 5 years you'll have Savings Bonds worth \$2053 in cash; in 10 years, \$4448.

Even if you've never been able to save before, this plan is guaranteed to work for you. So sign up today for Payroll Savings where you work—or invest in Bonds regularly where you bank.

For the big things in your life, be ready with U. S. Savings Bonds

Chevrolet Wins Coveted Manufacturers' Trophy at Daytona Beach as "best performing U. S. automobile"!

Want facts about performance?

Then look at the official figures from NASCAR's internationally famous Daytona Beach competition for stock cars. Here's what you'll find: Chevrolet, in two weeks of blistering competition, proved itself as America's Number One performance car. Nothing in the low-price field could touch it.

No other car, regardless of price, scored such a sweep. And Chevy walked away with the famous Manufacturers' Trophy, hands down!

The 1957 Chevrolet is, by all odds, the most astonishing performer ever produced in the low-price field. Best of all, this superiority isn't limited to just a few extra-cost high-performance models. Every type of Chevy—from the six-cylinder models right up to the 283-horsepower "Super Turbo-Fire" V8's, from the single-carburetor V8's with Powerglide to the stick-shift "270's"—is a championship car.

3,982 Persons Get State Welfare Aid

Thomas E. Penick, Chairman of District Board 10 of the State Department of Public Welfare, reported that in Palm Beach County 3,982 persons were assisted in the four categories of public assistance for the month of February.

A total of 1,576 persons received Old Age Assistance in the amount of \$75,247.00. 77 persons received Aid to the Blind, totaling \$4,144.50. 555 families, representing 1,783 children, received Aid to Dependent Children in the amount of \$33,542.50. 77 persons received Aid to the Disabled in the amount of \$3,904.00.

In addition 122 children received service during the month, 53 of whom were in foster homes. The total State and local cost for these child welfare services was \$3,638.07.

There were 6 adoption petitions studied for the Circuit Court. These are children placed in homes independent of service through a licensed child placement agency, and the Welfare Board is responsible according to law to make these reports to the court.

Palm Beach County is also represented on the District 10 Welfare Board by Mrs. Doris Sasser, Pahokee; Mrs. Muriel Hirsch Pick, Palm Beach; Mrs. Helen R. Tedder and Mrs. Helen D. Woodward, West Palm Beach.

WSCS Will Send Delegates To Meet

Members of the Pahokee First Methodist Woman's Society of Christian Service at a meeting in the church auditorium Monday night made plans to send delegates to the WSCS district meeting in Belle Glade on March 27.

Mrs. Edward A. Jensen, president, named Mrs. John A. Dulany, chairman, Mrs. Frank Friend, Arch Blakey, Mrs. Ruth Meredith and Mrs. Ralph Stanley on a nominating committee to recommend a new slate of officers.

Mrs. Duncan Padgett, spiritual life chairman, announced annual World Day of Prayer will be observed in Pahokee at a special program given by the Pahokee High School Senior Class in the school auditorium Friday, March 8, at 2:20 p. m.

Mrs. J. T. Boynton, chairman of the Gertrude Shirley Circle, reported the purchase of blacked, reported the class room of the young people's department in the educational building.

The assignment for placing flowers in the church through March was given to the Margery Lair Circle.

Plans were made for a 24-hour vigil of prayer to be held prior to Easter Sunday, the date to be announced.

Mrs. D. B. Watkins, program chairman for the Mary Martha Circle, was in charge of the devotional program.

Sororities To Aid Youth Center

Both the Beta Omicron and the Xi Alpha Mu Chapters of the Beta Sigma Phi Sorority at their last meetings announced plans for benefit fund-raising projects with proceeds to go to the proposed Youth Center.

The Beta Omicron group will produce a musical comedy under the direction of Mrs. J. T. Boynton. April 11 and 12 are the dates set for the benefit show.

A benefit fashion show will be sponsored later this month by the Xi Alpha Mu group if present plans are carried out. Mrs. Lewis Friend is chairman in charge of this project.

Cub Pack 23 In Monthly Meet

Mothers of members of Pahokee Cub Pack 23 entertained with a dinner at the monthly meeting of the pack held in the social hall of the Elks Club. Place mats and cards were made by the Cubs who were also in charge of the table decorations.

Awards were received by Jim Tyson, Frank Hanna, Johnny Spencer, Mike Mills, Reid Tillery and Franklin Branch, Wolf Badges; Mike Apelgren and Randy Jarrold, Bear Badges; John Pell, Lion Badge; Reid Tillery, John Pell, Keith Aldridge and David Beede, Gold Arrow; Harry Cunningham, Michael Sanders and Reid Tillery, Silver Arrow. Den III won both the achievement and attendance awards for the month.

Pack 23 received a special invitation at the meeting for both the Cubs and their parents to attend as a group the evening service at the Pahokee First Methodist Church on March 10.

Scout Troop No. 28 At Big Camporee

Pahokee Boy Scout Troop 28, accompanied by Scoutmaster Louis Mims, is attending the annual Gulf Stream Council Camporee at the Council's Boy Scout Camp near Jupiter this weekend, March 8-10. Last year Troop 28 received the highest number of points in camporee ratings of any troop attending. The Pahokee Scouts expect their unit to be among the high scoring troops again this year.

Last weekend Scoutmaster Mims and Jappy Lindrose took 26 members of the troop, mostly tenderfoot Scouts and others who have never attended a camporee, on a camping trip to the Kissimmee River as preparatory training for the camporee.

Special courses of instruction were conducted by Johnny Cook Vandegrift, "First Aid"; John Lloyd Hundley, "Firewood Preparation and Fire Building"; Roger Hutton, "Courtesy and Scout-Like Conduct"; Joey Alderman, "Interpretation of Trail Signs"; David Simonson, "Compass Reading" and Benny Baxter, "General Camp Sanitation." Robert Lindrose lectured from the Scout Manual.

On Saturday there were two details in swimming and a campfire program in the evening, followed by the playing of wide-open games. An open-air church service was conducted Sunday morning.

David Simonson's patrol won the camping competition award. Four other patrols participated in the competition, including those led by Wayne Boynton, John Hundley, Gary Folds and Benny Baxter.

World Day Prayer To Be Observed Today

World Day Prayer will be observed in the Pahokee-Canal Point area with a special devotional program in the Pahokee High School auditorium this Friday, March 8, starting at 2:20 p. m. As has been the custom in the past, this year's program will be presented by the PHS Senior Class, with Marvin Thompson, class sponsor, assisting in an advisory capacity.

Max Beverly, president of the Senior Class, will serve as program leader. Other Seniors who will take part on the program are Ronnie Hitchcock, call to worship; Donna Smith, Pat Crady, Linda Sellers, Annette Gordon, Lory Rockwell and Beth Smith, voices of worship; Fred Blakey, offertory prayer; Rupert Mock, prayer of devotion; Sandra Adams, benediction.

Judy Shackford will be the pianist. Ushers will include Clyde Alley, Bobby Mills, Roland Mills, Gordon Chase, Eugene Pearce, Harry Sheppard, Clifford Stuart and Gerald Phillips. Printed programs will be distributed by Wilda Davis, Theresa Pope, Joan Jarriel and Betty Rainier.

Members of all churches in the two communities plan to attend this united service. The public is invited.

"Mental Health" Is WSCS Program

Mrs. C. L. Stuart presented a program on "Mental Health" at a meeting of the Canal Point Methodist Woman's Society of Christian Service at the home of Mrs. L. A. Sparks Tuesday night with Mrs. F. M. Wilson, president, presiding. Also taking part on the program were Mr. W. K. Buchanan, Mrs. L. L. Maxson, and Mrs. W. E. Johnson.

The group made plans to attend the annual observance program for World Day of Prayer to be presented in the Pahokee High School auditorium Friday, March 8, at 2:20 p. m. under the sponsorship of the Senior Class.

Plans were also made to send a delegation to the WSCS District Conference at the Community Methodist Church in Belle Glade, March 27.

Veterans Consultant To Visit This Area

L. V. McClelland, County service officer for Palm Beach County has invited W. B. Mackall, senior assistant service officer to visit the Veterans Service office, located in the Sanders Building, Belle Glade. As a consultant to discuss technical questions and problems with veterans and their survivors or dependents in this area. With regards to Veterans Administration benefits, such as educational, training, disability, widows, and dependent parent benefits, insurance, etc.

Mr. Mackall represents the headquarters office of the Florida Department of Veterans Affairs, Bass-A-Grill, Fla. and his services are offered free of charge to all concerned. Mr. Mackall will be accompanied by Richard Averitt, assistant State Service officer and Claims Specialist, who will be available for interviews at the same period. Their visit is scheduled for Tuesday, March 19, from 8:30 a. m. to 9:30 a. m.

Appointments may be made to see these men by calling Mr. McClelland at WY6-2570 Belle Glade on Monday, Wednesday and Friday and at 557 Pahokee on Tuesday and Thursday.

State Inspection Service Is Told

Ralph Freeman, of Belle Glade, an employee of the Florida State inspection service, was guest speaker at the Tuesday luncheon meeting of the Pahokee Lions Club. Introduced by Paul Tillery the speaker told the manner in which the State's inspection service operates to protect the consumer, elaborating on the grading and inspection of eggs as an example of this service.

It was reported that the scrap metal drive conducted by the club under the direction of Duncan Padgett netted \$149. Of this amount \$100 was allotted to a scholarship fund supported by the club and the remainder, to the sight conservation fund.

Frank Hobson, principal of Belle Glade High School and a former member of the club, was introduced as a visitor. President D. W. Cunningham presided.

QUARTERLY SOCIAL

Members of the young people's department of the Pahokee Baptist Training Union for their quarterly social meeting enjoyed an outdoor party and hamburger fry at the city park. The Rev. James Boyd entertained with songs. Other adults present were Mr. and Mrs. Elsworth Keen, sponsors of the group, and Mrs. Jimmy Oliver, a guest.

Mr. and Mrs. H. J. Anderson received word this week of the death of his eldest brother, Simon Anderson, 81 at Fyn, Denmark. The deceased visited the United States and spent the winter season with his brother and sister-in-law in Pahokee five years ago. Burial was at Fyn, March 1.

Prosecutors To Seek Power From Sheriffs

TALLAHASSEE—The State Association of Prosecuting Officers voted last week for legislation taking the Florida Sheriff's Bureau from under the direct control of sheriffs.

Winding up a two day meeting, the association voted to ask the Legislature to give prosecuting officers and grand juries equal power with sheriffs. It also recommended the Bureau's executive board be changed from its present membership of five sheriffs to two sheriffs, one state attorney, one county solicitor and a citizen, all named by the governor.

Recommendations in the sheriffs' bureau were suggested by State Attorney Phil O'Connell, of West Palm Beach and Assistant State Attorney Volie Williams of Sanford, and were adopted overwhelmingly.

Flood Control To Conserve Water

WEST PALM BEACH—Sound development of Florida water resources is going forward in Central and Southern Florida Flood Control District, according to an announcement by its governing board.

Water resources are being conserved throughout the FCD by storing wet-season water for beneficial use in dry periods. Prior to the adoption of the comprehensive multi-purpose flood control plan, water was wasted to sea. Now, water can be held in lakes and conservation areas.

In the Kissimmee and Upper St. Johns River Basins, the need exists to retain excess flood waters in the Fall for release into natural and artificial channels, to maintain adequate ground-water tables under agricultural lands, and to provide for stock watering during the dry season.

The practical method of meeting this need is to retain water in natural lakes and sloughs, and to control outlet channels for flood control and drainage. Removal of excess waters from pasture and farm lands and from communities can be accomplished by increasing the capacities of natural channels to permit escape of flood waters. Control works will be provided in channels and lake outlets to retain waters in natural reservoirs for use in dry periods.

Similarly, the need to retain water for proper distribution in dry

seasons exists in the Everglades south of Lake Okeechobee. In that region, normal years may have dry winter seasons when there is need to hold ground-water levels high enough for agricultural needs.

Conservation areas have been established on wild Everglades lands determined by Federal and State studies to be unsuited to long-term agricultural purposes. Maintenance of these areas in a wet condition stores water for agricultural needs. It also contributes to recharge of fresh ground-water tables along the east coast and prevent salt-water intrusion.

Small Counties To Get Industry

TALLAHASSEE—Gov. LeRoy Collins has notified U. S. Rep. Bob Sikes that one of his primary objectives is industrial development of the smaller counties. The Governor replied to a letter written to him by Sikes in which the congressman urged that attention be given to the needs of the smaller counties.

Collins said such a program was one of the jobs he had delegated to the State Development Commission. Executive Director R. B. Fuller of the commission says his agency is planning to expand its program to aid these smaller under-developed counties and the Cabinet Budget Commission has recommended that \$75,000 be appropriated for this purpose.

Mr. and Mrs. Charles Kurtz, who were guests of Mrs. Helen Schroeder here for three weeks, are spending a few days with friends in St. Petersburg and Vero Beach before returning to their home near Philadelphia, Pa.

NOTICE TO CATTLE OWNERS

ALL CATTLE, UNDER THE FLORIDA STATUTES, ARE SUBJECT TO A PERSONAL PROPERTY TAX. The law requires all owners of cattle or persons with cattle in their custody to make a tax return to the Tax Assessor in the County where cattle are located. If no return is made by the owner or custodian it is the duty of the assessor to assess the cattle from the best information that he has available.

THIS IS TO ADVISE THAT I WILL BE AT THE BELLE GLADE CITY HALL ON TUESDAY AND WEDNESDAY, MARCH 19th AND 20th, for the specific purpose of taking tax returns on cattle. I respectfully urge all those owning cattle, or having cattle in their custody, or control, to call at the City Hall on the above date and make your return.

It is not the desire of this office to PENALIZE anyone, but a 10% PENALTY will be added to any assessment made on cattle where no return is made by the owner. I shall appreciate your cooperation.

Christian Science Group Of Canal Point

Permanent health and happiness—gained through the spiritual understanding of man's true relationship to God—will be dealt with at Christian Science services Sunday. Keynoting the Lesson-Sermon on "Man" is the Golden Text from Romans (8:16): "The Spirit itself beareth witness with our spirit, that we are the children of God." Selections to be read from "Science and Health with Key to the Scriptures" by Mary Baker Eddy include the following (243:32-3): "Inasmuch as God is good and the fount of all being, He does not produce moral or physical deformity; therefore such deformity is not real, is illusion, the mirage of error."

Matthew's account of Christ Jesus' healing of the man "sick of the palsy, lying on a bed" (Matthew 9:2-8) will be included in the readings from the King James Version of the Bible.

Canal Point Lions Build Picnic Area

The Canal Point Lions Club at the regular dinner meeting this week voted to have metal picnic tables built for the picnic area being developed by the club in the pine grove north of the boat launching ramp which the Lions recently completed on the shoreline of Lake Okeechobee at Canal Point. O. H. Sheppard, club president, is chairman in charge for this project. The club also voted to have the large sign publicizing the Canal Point community at Twentymile Bend, recently blown down in a high wind, set up again. Osceola Upthegrove, program chairman, introduced James L. Merrell of Pahokee who spoke on "Biblical Archeology."

Mr. and Mrs. Thomas Lynn and daughters of Immokalee spent the weekend in Canal Point visiting her parents, Mr. and Mrs. A. Q. Howell.

*Uncle Sam made the bonds you own
an even better bargain!*

Now your maturing Series E Bonds can earn interest 10 more years at 3%

PRESENT TREASURY REGULATIONS make it possible for you to collect a return of as much as 80% on the Series E Savings Bonds you already own!

For now those Bonds which you invested in 10 years ago can go right on earning interest for ten more years without your doing a thing about it! That is true not only of the Bonds which you have held for ten years, but any other Series E Bonds which you have invested in in the meantime. And any Series E Bonds which you obtain now will also enjoy the extended earning period. They will start earning interest sooner and mature earlier, too, paying 3%, compounded semiannually.

The Bond you got for \$18.75 can now pay you \$33.57 ... a \$37.50 Bond will be worth \$67.34 ... and so on.

Of course, any Series E Bond may still be redeemed at any time after you have held it for two months. But, like any other form of saving, your Bonds will mean a great deal

more to you if you can hold on to them.

Are you one of the millions of Americans who are saving regularly with Savings Bonds through the Payroll Savings Plan? If you're not, why not start now? Invest regularly in Bonds through the Payroll Savings Plan where you work. Ask your pay office to save as little as 25c a week for you, or as much as you are able.

If you can save just \$5 a week regularly through the Plan, in five years you will have \$1,367.90 ... in 9 years and 8 months, you'll have \$2,850.70 ... and in 19 years and 8 months, \$6,872.45! This Plan is one sure way to save because it saves something out of every check before you have a chance to spend it.

So join the Payroll Savings Plan where you work today. Or, if you are self-employed, start the Bond-A-Month Plan where you bank. It's safe, it's sure, it's automatic. And you will be helping yourself and your country!

If you want to be paid
your interest as current income—
invest in 3% Series H

If you want a good, sound investment which pays you your interest by check every six months, ask at your bank about United States Government Series H Bonds. Series H is a new current income Bond available in denominations of \$500 to \$10,000. Redeemable at par after 6 months and on 30 days' notice. Matures in 9 years and 8 months and pays an average 3% interest per annum if held to maturity. Interest paid semiannually by Treasury check. Series H may be purchased at any bank, annual limit \$20,000.

Now even better! Invest more in Savings Bonds!

Mrs. Clark Wilkinson, Jack Spencer and William Plumer were named on a house committee. J. V. Thomas was appointed to represent the chamber on the 441 Association and it was voted to invite the association to hold one of its meetings in Pahokee in the near future.

Louis Gold, membership chairman, announced the annual membership drive will start on April 15 with a kick-off breakfast for the workers.

Mrs. Clark Wilkinson, treasurer, presented to the board for study a tentative budget for the 1957-58 fiscal year, the new budget being approximately \$800 more than last year's to meet increased expenses for brochures, monthly newsletters and a more elaborate Fourth of July program.

is the way I will have to handle the assessment of cattle unless I get the cooperation from the cattle owners.

I do not expect to put the full value on cattle and neither do I expect to penalize people because they have registered cattle. My basis of assessment on a full grown cow in the past has been a valuation of \$20.00 on a range cow. Most full grown cows will bring \$50 a head on the open market. Any story you give me will certainly be appreciated.
